207M Eastburn COE, Bldg 27, Flagstaff AZ 86011
602.298.4040

Summary of Professional Qualifications:

- AI integration in teaching & learning
- Faculty development & technology adoption
- AI governance and policy
- Research, assessment, & data analysis
- Teaching in any instructional modality
- Gen AI fluency and tool development
- Cross-institutional and multi-disciplinary collaboration
- Empowering student success
- Curriculum & instructional design
- Program development & management

Education:

Ph. D., Higher, Adult, and Lifelong Education, Michigan State University, May 2016. *Adult Learners at Community Colleges: Influence of Technology and Digital Literacy on Marginality and Mattering*

M. S. Ed., College Student Personnel, Southern Illinois University – Carbondale, May 2007

B. A., English Literature and Philosophy, Texas Tech University, May 2005

Professional Experience:

Associate Professor, Department of Educational Leadership**, **August 2024-Current
***Lead Faculty Member, Community College and Higher Education Sub-unit,** June 2020-June 2025*
***Assistant Professor, Department of Educational Leadership**, August 2017-July 2024*
Northern Arizona University, College of Education.

- June 2020 - June 2025, served as Lead Faculty, a role similar to program coordinator in regards to managing curriculum, doctoral admissions, supporting adjunct faculty, managing student concerns, leading program review (including a self study for our 7 year review)and representing the program within the academic affairs division.
- Designed and taught graduate courses at both the master's and doctoral level, including topics of ecological systems and technology, assessment and evaluation, and professional writing.
- Mentored graduate students through informal and formal opportunities such as research design support, writing for publication, serving on and chairing dissertation committees, hosting discussions on graduate topics.
- Chaired committees within the department on various curricular review items.

Instructional Fellow, Master Educator Course
University of Louisville, College of Education, and affiliated with the United States Army, Cadet Command, May 2017-January 2024

- Served as a content expert and facilitator for 4 courses (multiple occurrences of each): ELFH 682 – Organization and Administration of Higher Education, ELFH 666 – Program Development & Assessment in Higher Education, ELFH 683 - College Teaching and Learning, ELFH 670 - Instructional Strategies for the United States Army via University of Louisville.
- Mentored and developed Army Officers toward success in their posts as Military Science faculty and directors of ROTC programs around the United States.

- Conducted site visits of program cadre at their home institutions.
- Led 13 cohorts of United States Army ROTC Cadre through an intensive 2 week residential graduate learning experience

Visiting Assistant Professor, Counseling and Higher Education
University of North Texas, College of Education, August 2016-May 2017
- Designed and taught multiple graduate courses including topics of budgeting and finance in higher education and college student demographics.
- Supported departmental and program initiatives by serving on committees for recruiting and marketing, and creating an online Master's program through course conversion and design consulting.

Assistant Professor and Program Coordinator, Higher Education and Student Affairs
Northern Michigan University, School of Education, Leadership, and Public Service, June 2015-August 2016
- Academically and professionally advised 45 master's level students in the Higher Education and Student Affairs program.
- Supervised the academic and reflective components of all internship students each academic semester.
- Organized and executed recruitment and marketing strategies for the Higher Education and Student Affairs Master's program, including presentations at regional and peer institutions
- Served as primary faculty instructor for all core coursework throughout the academic year and summer semester, including online and hybrid courses.
- Facilitated professional development for all Higher Education and Student Affairs master's students and interested undergraduate students from all majors.
- Participated with institutional service including the Academic Service Learning Council, McNair Scholars program, and objectives of the Dean of Students office.

Coordinator, Graduate Student Career and Professional Development, Doctoral Fellow
Michigan State University, Offices of Graduate Student Life and Wellness and PhD Career Services, July 2014 – July 2015
- Organized and executed a graduate student leadership curriculum featuring the Graduate Student Leadership Institute conference, and the Graduate Student Leadership Academy (multi-week leadership development).
- Provided career advising for students from all graduate programs, including written credential reviews, mock interviews, and job search strategies.
- Lead the communication efforts and strategies for the PhD Career Services offices across newsletters, social media, web content, graduate school blog, and printed media.
- Collaborated with colleagues and other offices to provide quality programming and workshops for the development and continued wellness of graduate students.

Research Project Manager, Graduate Research Assistant
Michigan State University, Higher, Adult, and Lifelong Education, August 2010-July 2014
- Co-led and managed the research team of 8 to 10 individuals for the National Study of LGBTQ Student Success by developing data collection instruments and protocols, tracking data, transcription, and analysis.

- Collaborated with various research projects for Dr. Kristen Renn including international research publishing trends, and the role of Women's Colleges internationally.
- Planned, mobilized and operationalized a technology system for the American Educational Research Association annual conference (>10,000) attendees.
- Constructed chapter outlines and reference lists, conducted and annotated literature searches, indexed and proofed manuscripts for Dr. Kristen Renn's published books.

Residence Director/Area Director (position elevated to Area Director in July 2008)
Texas State University, Housing and Residential Life, July 2007-August 2010
- Hired, trained, evaluated, and supervised 22 Resident Assistants and 2 Graduate Assistants, who served nearly 1,000 students living in the hall, including a History Learning Community requiring additional academic needs and collaboration with faculty.
- Collaborated with coaches and athletic personnel for football, volleyball, and women's basketball players, and cheerleaders residing in my hall through advising, supporting, and engaging these athletes to campus.
- Supervised summer operation of camps and conferences ranging from 400-1000 participants.
- Oversaw academic programming for a Residential College residence hall, as well as supervising the staff of the hall and the individual needs of 240 students within the program from August 2007 through May 2008.
- Participated in on-call emergency response rotation for all campus residence halls and apartment complexes.

Summer Operations Intern
Texas State University, Housing and Residential Life, May 2009-August 2009
- Collaborated with the Assistant Director of Administrative Services to plan and manage summer camps and conferences.
- Created strategies and systems to manage camp and conference operations in various buildings, from initial check-in processes for fluid participant lists and assignments to efficiently turning over facilities.
- Co-organized and led training of all building staff for summer camps and conferences.

Graduate Hall Director, Head Resident
Southern Illinois University Carbondale, Housing and Residence Life, July 2005-May 2007
- Served on a senior staff team for a large high-rise residence hall of 18 Resident Assistants and 700 residents, fulfilling responsibilities with conduct issues and judicial conferences, staff development activities, and duty rotation of RAs. The hall was a focused upper-classmen facility offering targeted programming and unique privileges to our students.
- Supervised a residence hall desk that operated 24 hours a day including all semester breaks and holidays. Supervision included scheduling, paperwork, payroll, desk staff development, and ensuring building security.
- Oversaw the staff and programming of the Engineering Learning Community.

Summer Conference Manager
Southern Illinois University Carbondale, Housing and Residence Life, May 2006-August 2006
- Supervised, staffed, and trained 20 Desk Assistants and a customer service desk, open 24 hours a day, for the duration of the summer.

- Maintained day-to-day responsibilities including crisis response, evening duty rotation, administrative check-in and check-out services, and meeting camp and conference needs.

Short-Term Professional Appointments at Northern Arizona University

AI Fellow, Institute for Advancing Applications of Artificial Intelligence (IAAAI), September 2026-Current

Provost Leadership Fellow, August 2025-Current

Faculty Wellness Inaugural Fellow, August 2025-May 2026

Association of College and University Educator (ACUE) Facilitator, Effective Online Teaching Practices, August 2025-May 2026

Graduate Academic Appointments:

James Madison College Graduate Teaching Assistant

Michigan State University, James Madison College, August 2014-December 2014

- Facilitated a senior seminar on issues in higher education from public policy and research perspectives focusing on identifying, discussing, and researching the critical issues in higher education.
- Supported the development of materials for the college's accreditation process by providing guidance and written representations of the efforts and successes of the college.

Bailey Scholars Graduate Fellow

Michigan State University, Bailey Scholar's Program, College of Agriculture and Natural Resources, August 2011-May 2012.

- Co-constructed, managed, and provided accountability for a course on connected learning for undergraduate students just beginning in the Bailey Scholar's Program, which is a non-residential learning community focused on building interdisciplinary learning through community and dedication to lifelong learning.
- Supported undergraduate students as we planned and carried out an alternative spring break volunteer program to Asheville, North Carolina by serving as the university sponsor for the spring break trip and participated fully in the program, including a daily debrief and discussion designed to encourage student development and growth.
- Contributed to a research project on the experiences of Bailey Scholars in order to further understand this self-guided and connected learning pedagogy by conducting and writing a literature review, constructing a coding scheme, assisting with coding and analysis.
